An unexpected meeting of the Village Council was called to order on Sept. 18 - 8 p.m. to meet Joe Alter from the Dept. of Health.

Howard Elliott called the meeting to order and introduced Mr. Alter - Chief Eng. of A.D.H. from Juneau. the man responsible for digging of well at Bethel along with Rural Dev. Board, Hosp. + Geological Board.

Purpose of meeting to get information for the development of the well. It was brought up that Mr. Featherstone of A.W.S. may have an estimate of the cost of well + possible plans to the developement of it.

Alaska Public Works was authorized by Congress 70 million dollars for community devel. + facilities. Act indicated this was to help develop Alaska. Ask APW for the eleguibility of our group under this plan.

2 ways to Approach A.P.W.

a. Write directly or

b. Present problem to Gov.

If directly approached ~~get~~ ask for information concerning a representative be allowed to meet with Bethel Council. Ask for Application Blanks. APW has own specification about devel. of wells and maybe one of their Eng. could help us.

A.P.W. - procedure -

1. Advertise plans
2. Accept bids for the project
3. Project when completed is turned over to city with the following agreement
   a. to pay 1/2% of project and 2% interest on unpaid balance of said 1/2%.
4. A.P.W. would have to have clear title of property from Fed. Gov't.
5. They require a Reg. Eng. plans

Mr. Alter suggested the following steps be followed.

1. Put down on paper exactly what we ~~need~~ want to do concerning devel. of well
2. Copies of Official Papers of incorporation for our records (get Photostats)
3. Clarify status of possible plans by Leatherstone.
4. Start ball rolling of getting transfer of site of well.
5. Ask Assistance from A.P.W - Governor.
