RESOLUTION #93-50

A RESOLUTION OF THE CITY COUNCIL OF BETHEL, ALASKA, TO IMPLEMENT THE CURRENT RECYCLING AGREEMENT UNTIL A COMPREHENSIVE SOLID WASTE MANAGEMENT PLAN TAKES EFFECT

WHEREAS, the City Council has a current agreement in place concerning community efforts to develop recycling; and

WHEREAS, the City Manager on his own initiative chooses to ignore official Council policy; and

WHEREAS, the long-term savings this recycling generates for our community will transcend the immediate costs which fulfilling the agreement will incur; and

WHEREAS, as an environmentally conscientious community, we want to enthusiastically assist, through the present agreement, the recycling tradition in Bethel.

NOW THEREFORE BE IT RESOLVED by the Bethel City Council that the City Manager make haste in fulfilling the standing agreement with the Bethel Recycling Project and the City Manager facilitate a draft comprehensive solid waste management plan to include recycling, which upon its adoption by the City Council will supersede the current agreement.

PASSED AND APPROVED THIS ____ DAY OF _____, 1994.
