IX. NEW BUSINESS: A. Conditional Use Application from United Utilities, Inc., for a Telecommunications Tower and Utility Structure to be located at 9116 Ptarmigan Street, Bethel, Alaska 99559.

Russ McDonald of United Utilities spoke on the subject of wanting to install a cell tower in the Tundra Ridge area, specifically lot 15, block 10, plat 80-2 (9116 Ptarmigan St.). William Ferguson, a citizen of Bethel, expressed concerns, chief amongst them the devaluation of his residence next door and that the proposed lot is in a drainage area. Mr. Ferguson also expressed a concern with the lot size, i.e., is it big enough? And could/would the tower ever fall? A lengthy discussion ensued, bringing with it a myriad/plethora of questions, such as: could the tower length be shortened; should soil samples/engineering be done?; issues with the flight path, has anyone checked with the FAA?; is there any non-residential zoning in the Tundra Ridge area where the tower could be placed? The Planning Director stated that the conditional use permit could include the clearance of airspace approval by the DOT/Bethel Airport. Mr. McDonald stated a fence could be built around the structure. It was decided to table the issue until further information could be provided. A special meeting could be held too if need be to facilitate this issue to accommodate the short summer construction season. Commissioner Linderoth asked to be excused in the discussion/action item due to a conflict of interest. Chair Guinn accepted.
