**WHEREAS,** the Alaska Army National Guard is attempting to gain the Federal Aviation Administration's nomination for a project to extend the taxi-way at the Bethel Airport; and

**WHEREAS,** extension of the taxi-way at the Bethel Airport would facilitate and enhance the construction of the new aviation hangar facility; and

**WHEREAS,** the City wishes to encourage this project because it will have a positive effect on the economic development of the City, it will encourage further development of the Bethel Airport, and it will provide an expanded taxi-way capability that does not involve using the main runway for the taxiing of aircraft; and
