ORDINANCE #97-04

AN ORDINANCE OF THE BETHEL CITY COUNCIL AMENDING THE ADOPTED FY1996-97 BUDGET AND AUTHORIZING THE CITY MANAGER TO EXECUTE A LEASE AGREEMENT FOR ENHANCED 911 SERVICES

BE IT ENACTED BY THE BETHEL CITY COUNCIL that the FY1996-97 Annual Budget be amended as follows:

Section 1. That the following sums of money as may be needed or deemed necessary to defray expenses and liabilities of the City of Bethel are hereby appropriated for the corporate purposes and objects of the City hereinafter specified for Fiscal Year 1996-97, July 1, 1996 to June 30, 1997.

Section 2. The following is a summary of the changes by fund:

Budget Modification 97-16

To appropriate funds for lease/purchase payments on the E911 System. This modification appropriates funds to cover lease/purchase payments for the new Enhanced 911 system, which City Administration anticipates the installation of prior to the end of Fiscal year 1996-1997. The E911 surcharge revenue being collected by GTE for the City is currently generating funds in excess of the monthly lease/purchase payments for the system. There is no net change to the General Fund due to this appropriation.

408-000-732	Lease for Enhanced 911	\$ 4,270.00
-------------	------------------------	-------------

Section 3. Lease Authorization. The City Manager is hereby authorized to acquire and execute a lease agreement for the lease/purchase of the Enhanced 911 system with GTE Leasing Corporation.

PASSED AND APPROVED THIS 27TH DAY OF MAY, 1997.
