Clean Up--Green Up Week

May 22-27, 1995

Whereas, annually the citizens of Bethel join together to collect the litter and debris uncovered by the Spring thaw; and

Whereas, this year this volunteer campaign is being coordinated by the Clean Up--Green Up Committee, headed by Brian Glasheen, "the Can Man"; and

Whereas, ALPAR (Alaskans for Litter Prevention and Recycling) has generously donated garbage bags for citizens' use in this effort, and these bags are available throughout the city; and

Whereas, the City of Bethel will provide pick-up service to remove large items from residents' property during this campaign; and

Whereas, citizens participating in this campaign will be eligible to win prizes in a drawing to be held in beautiful downtown Bethel.

Now, therefore, I, Allan Wintersteen, Mayor of Bethel, do hereby proclaim the week of May 22-27, 1995, as Clean Up--Green Up Week in Bethel, and call upon all citizens of Bethel to participate in this campaign and do their part in keeping our city clean.
