

Office of the Mayor
Bethel, Alaska

Proclamation

Children are one of our greatest and most cherished resources.

The most critical stages of development are during a child's first years.

Today, more children are in early childhood programs than ever before.

The education and training of the early childhood educator is a primary factor in providing nurturing guidance for children outside their homes.

Those who work in the early childhood field deserve special recognition for their contributions to children.

NOW, THEREFORE, I, Marge Bainton, Mayor of the City of Bethel, Alaska, do hereby proclaim the week of January 20 - 26, 1986, as:

EARLY CHILDHOOD EDUCATOR WEEK

in Bethel, and urge all Bethelites to take a moment to reflect on the special contributions of early childhood educators.

*In witness whereof I have hereunto set my hand
and caused the seal of this city to be affixed.*

Mayor Marge Bainton
