Honorable Gary Vanasse  
Mayor of Bethel  
P.O. Box 388  
Bethel, Alaska 99559-0388

Dear Mayor Vanasse:

As you are aware, the Alaska State Housing Authority (ASHA) is in the process of modernizing the Bethel Heights development. ASHA plans to apply to the U.S. Department of Housing and Urban Development (HUD) for 1991 funding under the Major Renovation of Obsolete Properties program (MROP) to begin phase two of the project. We would like your comments and support for our plans.

The goal of this modernization effort is to improve the living conditions of the residents at Bethel Heights. With the large number of properties and the phased work schedule, ASHA will need to reapply for MROP funds as each phase progresses.

We would like to receive your comments by March 15, 1991 so we may include it in our application. Thank you for your help. If you have any questions, please call Barbara Baker, Deputy Director of Communications and Resource Development at 562-2813 ext. 228.

Sincerely,

ALASKA STATE HOUSING AUTHORITY

Ray Price  
Executive Director
