COMMITTEE REPORTS

Murphy - I would like to place the Covenant Church request on the Agenda. Also has the City started any road work.

Edge - The City has started the road work but had to stop because of the rain. Dept. of Highways wanted the new road construction "force account" so I asked each company in town for prices on loads of dirt. Sonny was the cheapest.

Hall - The upper end of Mission Road is dark, maybe they need more street lights. Since the rain, Bethel Heights Road is in bad shape.

Edge - A.S.H.A. has told us to stay off the road still, and I will look into the street lights.

Andrew - I was told that the Mayor should appoint a 4th of July committee.

PEOPLE TO BE HEARD

Connick - I think that when the City is working on the roads, they should level out the dirt that is dumped on the roads. Alder Street is blocked.

Bud Revet - Asked about the House of Haven (Halfway House) need for Revenue Sharing.

Blanch Raines - Stated that the Dept. of Health and Social Services approved 8 beds for the House of Haven.

Edge - The House of Haven will be included when we apply for Revenue Sharing.

Connick - Is the City going to put in for the Sleep-off Center?

Murphy - The poll vote on Mr. Bain's expenses to come for an interview is not on the agenda.

M/M Murphy that we place the poll vote on the agenda. Voice vote, unanimous in favor. Motion passed.

Hall - As long as you are going to see Mr. Kemp, I'd like to see some florescent flags on the lines, this way people can see those lines during the day time.
