CITY OF BETHEL RESOLUTION #140

WHEREAS, \$50,000 has previously been appropriated by the State of Alaska for exploration of the possibilities of improving river access to villages in the Bethel area, and

WHEREAS, \$19,000 of this amount has been spent on a study of dredging the approaches to Napaskiak, Napakiak and Akiachuk and

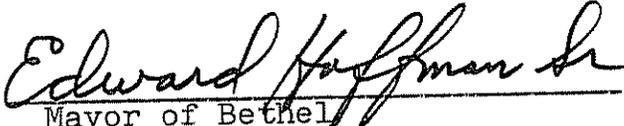

WHEREAS, the Commissioner of Public Works has previously agreed to allocate the remaining \$31,000 of the allocated funds for a demonstration project to deepen the slough channel to the village of Napaskiak with the use of heavy equipment during the winter months, and

WHEREAS, the City of Bethel has received a letter from the Director of the Division of Rivers and Harbors, Department of Public Works, that the proposed demonstration project at Napaskiak is being postponed for further engineering studies and,

WHEREAS this postponement will delay for another year any possibility of improving river access to the Village of Napaskiak.

NOW THEREFORE BE IT RESOLVED, that the City of Bethel request that the proposed Napaskiak channel improvement project be approved and construction authorized to implement the project before April of 1975.

Passed this 28th day of January, 1975.
