III. Public Hearing--City Manager's Recommended FY1995-96 Annual Budget; Topics: Special Projects; Summary

Mayor Wintersteen opened the Public Hearing.

George Young, Fire Chief, voiced his support of the Special Project to construct a HazMat area as the current HazMat area occupied the fire training area, rendering it unusable for training. Chief Young stated he was interested in seeing the area cleared of hazardous material so the Fire Department would not miss out on any more training opportunities.

There being no one else who wished to speak, Mayor Wintersteen closed the Public Hearing and adjourned the meeting into a work session with no objection.

PASSED AND APPROVED THIS 13TH DAY OF JUNE, 1995.

  
Allan Wintersteen, Mayor
