

RESOLUTION #610

Whereas, the PATC Program has established continuity and is maintaining operations at a responsible level and,

Whereas, any transfer that occurs needs to be well planned so as to keep program operations at an optimal and,

Whereas, the PATC Advisory Board is evenly divided between the YKHC and Pneuma Corporation sub-contract management proposals,

Whereas, both prospective sub-contract grantees have agreed to work together to explore the possibility of a joint venture for the management of the PATC Program,

Therefore, be it resolved, that the PATC Advisory Board recommends to the City Council to maintain the grant for FY '89 until a solid plan is developed for takeover,

Now, therefore, be it further resolved, that the PATC Advisory Board encourages both parties to continue to explore the possibilities of a merger and to advise the board of its results at its earliest possible opportunity.
