## **CITY OF BETHEL, ALASKA**

### **RESOLUTION #02-15**

#### **A RESOLUTION ADOPTING FEES TO IMPLEMENT ORDINANCE #01-45**

**WHEREAS** the City Council passed Ordinance #01-45 which made certain changes to Chapter 15.12 regarding issuance of site permits and adding a new Chapter 15.24 regarding fire and safety construction standards for petroleum tank farms and associated pipelines;

**WHEREAS** Sections 15.24.030.C and 16.04.040 of the Bethel Municipal Code ("BMC") provide for the payment of fees to conduct inspections of petroleum tank farms and associated pipelines, and for all other actions required under Titles 15 through 18 of the BMC;

**THEREFORE BE IT RESOLVED** by the Bethel City Council that:

The fees and charges for implementation of Ordinance #01-45 provided for below are hereby adopted:

Review drawings and specifications: \$3,000.

Primary containment liner installation inspection prior to backfill: \$1,500.

In accordance with section 15.24.030.C, an applicant shall be charged for the actual costs and expenses the City incurs for all additional inspections, including but not limited to an inspection of primary containment liner installation when backfill is being placed on the liner during liner installation; rough-in inspections; civil, mechanical and electrical inspections; pipeline inspections, re-inspections, and administrative reviews. Upon completion of each such inspection, the City shall invoice the applicant for the actual costs and expenses the City incurs for each inspection. Payment shall be due within ten (10) days of receipt of the invoice. A late payment fee of fifty dollars (\$50.00) shall be imposed on all late payments.

This resolution shall become effective immediately upon adoption.

**ENACTED THIS** 23 **DAY OF** April **2002, by a vote of 6 in favor and 0 opposed.**
