## *CITY OF BETHEL, ALASKA*

### **RESOLUTION #09-38**

#### **A RESOLUTION TO ALLOW ELECTRICAL AND CONTROL WORK TO BE SOLE-SOURCED ON FY09 WATER AND SEWER CONSTRUCTION PROJECT**

**WHEREAS**, the City of Bethel, "City," will be finishing construction on the QFC # 2 lift station, forcemain and service lift stations;

**WHEREAS**, the scope of work requires an electrical and control contractor to finish the proposed construction items;

**WHEREAS**, following USDA/RD procurement policy by making this work available for competitive bid would be detrimental to cost and timeliness, as there is only one local electrician and control worker with the certifications necessary to perform this work;

**WHEREAS**, the USDA/RD office will consider a waiver to their procurement policy if reasonable cause can be identified;

**NOW, THEREFORE, BE IT RESOLVED** that the City Council of Bethel, Alaska, hereby resolves to sole-source electrical and control work for the 2009 water and sewer construction project and respectfully requests a waiver from USDA/RD to allow for Eddie's Electric to sub-contract to CH2MHILL for this purpose.

**PASSED AND APPROVED THIS \_\_ DAY OF SEPTEMBER 2009, BY A VOTE OF \_\_ IN FAVOR AND \_\_ IN OPPOSITION.**
