Summary Statement

City engineer firm DOWL provided the City with a scope of work to begin planning a Road Around H-Marker Lake. DOWL is willing to perform various planning functions (meetings, investigations, working with DOT&PF) on a time and material basis not to exceed \$20,000. DOWL will work with DOT&PF to support the proposed \$9.3 million Tundra Ridge Road Realignment project as identified in the 2018-2021 Draft Statewide Transportation Improvement Plan (STIP). See one-page STIP printout attached.

City Administration proposes the following route:

New road extending from H-Marker Lake Road and proceeding around the lake residences to circumvent the lake and connect to Tundra Ridge Road.
