Summary Statement

The City of Bethel established the Community Action Grant Program (CAG) to allow community and individuals to request financial support for programs or events that contribute to the health, welfare, and overall quality of life for residents of Bethel, especially its most vulnerable populations. Funding for the program comes from 20% of the Alcohol Tax collected by the City. The Community Action Grant Technical Review Board was created to develop a process to solicit grant applications, review them, and recommend funding selections to City Council.

The Committee accepted and scored four applications received during the open application period: October 14, 2019 to November 13, 2019. The Committee met on November 19, 2019 and December 2, 2019 to score the applications and make the following funding recommendations:
