A fine of \$1000.00 if infill is done without site plan application: Developers Responsibility

Site Plan, Demolition of Building either residential or commercial\$100.00
A fine of \$1000.00 for torn down

Site plan, commercial, major (New Development or existing site improvement)

A. A. Site plan Application Commercial: The application fee for a commercial, industrial or other non residential development shall be \$600 for the first \$100,000 of the total construction costs, plus an additional fee one half of one percent for the portion over \$100,000 of the total construction costs. Typical construction costs shall include all costs associated with the development for which the application is being submitted, including, but not limited to site improvement for which the application is being submitted, including, but not limited to, site improvement and building improvement costs including new or additional buildings, but shall include interior furnishings, atypical features, decorative materials or other similar features. For fees calculated based the percentage of construction costs, such costs shall be supported by the sworn statement of a licensed architect, licensed engineer or other qualified individual if an architect or engineer has not been retained for the project as the expected construction costs for projects over \$1,000,000 . Institutional (Hospital, Educational and Governmental) will be assessed a flat fee of \$600 for the total cost of the construction.

A. For a proposed linear development, the application fee shall be \$150.00 per acre of all land included in the right of way of the proposed linear development project plus \$150.00 per acre located outside of the right of way that will be disturbed as part of a linear development project. A Linear development means land uses such as roads, trails, sewerage and management of pipes, gas and water pipelines, electric, telephone and other transmission or distribution lines, which have the basic function of connecting two points, the rights-of-way therefore, and any accessory structures or uses directly associated therewith. Linear development shall not include residential, commercial, office or industrial buildings, improvements within a development such as utility lines or pipes, or internal circulation roads;

The fee for a Letter of Interpretation or Amended Letter of Interpretation pursuant to Bethel Municipality Code shall be determined according to the following:

1. The application fee for any other Letter of Interpretation or Amended Letter of Interpretation shall be \$200.00.

(a) The application fee for the review and processing of a request for a letter stating information that is available in a municipal land use ordinance or stating other information readily available to the public from a source other than the Bethel Planning Commission shall be \$200.00.

(b) The application fee for an Amended Certificate of Filing shall be \$200.00 or 10 percent of the original permit fee, whichever is greater, with a maximum fee of \$3,000. If a request for an Amended Certificate of Filing is submitted more than five years following the issuance of the original Certificate of Filing, the fee shall be calculated as if a new application had been submitted.

(c) The fee for the review of any study or survey prior to the submission of a development application, including, but not limited to, any threatened or endangered species protocol, threatened or endangered species protocol results or a cultural resource survey, shall be one-third of the estimated application fee calculated in accordance with (a) through (b) above. Any fee submitted in accordance with this provision shall be deducted from the application fee due at the time of submission of the application for the proposed development for which the study or survey was prepared or conducted.
