D. Rabies (Joan Dewey, Chair)

With the increase of foxes, there was a dog that tested positive for rabies coming to Bethel. This was an eye opener in terms of public safety. More emphasis on public awareness and education to inform the public about prevention and treatment of rabies.

IX. CHIEFS' COMMENTS

Captain Daron Solesbee - *See report in commission packet.*

Chief Andre Achee – *See report in commission packet.*

X. TRANSPORTATION INSPECTOR'S REPORT

See report in commission packet.

XI. COUNCIL REPRESENTATIVE'S COMMENTS

Norman Ayagalria – *I agree with our Chair, Joan, that I have been personally frustrated that we have been having these meetings are on the same day that we have the public safety and transportation commission meetings and that I have been left out with all the things that have been going in terms of safety and transportation in*

Bethel. I 'm so happy that I have the chance to attend this meeting and I've learned one or two new things so during the next Council meeting or the next several council meeting, I would like to continue working with this commission so that we can start providing some resources and tools for the police department; apparently the police department have been going through these several phases and cycles where they are being left with that they are being left with the 50% (staffing). A lot of the things that are going on in the City have been more or less related to the liquor store, so I'd like to be a part of that and be willing to support and be passionate about safety.

The other thing I was also going to mention is that, since I have been working with the kids for the last several years and I'm seeing what is happening with our school system, especially kids at the elementary level, I have been frustrated as well as a teacher to try to educate our kids to the modern society that we live in. It has just been extremely difficult as a teacher; I would like to be one of the voices for the kids in our community.

XII. COMMISSION MEMBER COMMENTS

Eileen Henrikson – First, my last day at the Job Center is a day from tomorrow and I start at YKHC two weeks from today. Second, I was actually at the Donlin Gold Career Fair and I did see the Police Department there. There is a career fair at the culture center this year on March 16th from 9-3. AVCP has a big push for public safety careers, so that would be a great opportunity to try to do some more recruiting. On March 17th, form 1-4, there will be a career fair at the high school. One of our discussion panels will be public safety.

Mary Weiss – I just want to say that it's good to be back and I'm impressed, congratulations everybody.

Norman Ayagalria – No comment.

Joan Dewey – No comment.

Chief Achee – No comment.

Captain Daron Solesbee – No comment.

Julene Webber – No comment.

Naim Shabani – No comment.

XIII. ADJOURNMENT

MOVED:	Ayagalria	Motion to adjourn.
SECONDED:	Shabani	
VOTE ON MAIN MOTION	All in favor.	

Meeting adjourned at 9:06 pm.

APPROVED THIS _____ DAY OF _____, 2017.

Celebrating 50 Years of Service

DATE: February 27, 2017
TO: Pete Williams, City Manager
FROM: Bill Howell, Fire Chief
SUBJECT: February 2017 Management Report

Current Events

- I attended the annual AML/Alaska Fire Chiefs Leadership Summit in Juneau from February 6 to the 10th. During this time, I was able to meet with our legislators and speak to the ladder truck capital priority and other issues supported by Alaska's Fire Chiefs. Of special interest: the proposed GEMT program which will allow fire departments to receive additional reimbursements through Medicaid.
- Purchase documents were submitted to YKHC for the new ambulance. YKHC is reviewing the documents for compliance with their policies.
- Specifications and pricing are complete for a new ladder truck and tanker for the department. Funding/financing options are being sought for one or both of these vehicles should our capital request to the State be unsuccessful.
- We are working with Livingston-Slone architects of Anchorage to approve plans for a proposed 54-unit YKHC staff housing on the State Highway next to the Pre-maternal home.
- We are working on submitting new ambulance fees including fees for mileage.
- Comments on Tundra Liquor Cache were forwarded to administration for review.
- One bed bug was found on 26 February. A resulting investigation revealed the source of the reoccurring infestations. We are working with the responsible parties to assist in elimination of the pests from a private home.

Emergency Planning/Homeland Security

- On February 24th we met with the Division of Forestry(DOF) regarding the upcoming wildfire season. Topics of discussion included the interoperable radio communications and cooperator agreements. We will be working with DOF to program radios and may be forwarding a desired cooperative agreement to administration in the near future.
- We have had several meetings with Bethel Search and rescue regarding the upcoming search and rescue conference here in Bethel and future coordination between Search and Rescue and the City Fire Department.
- The Department is working with Red Cross to install smoke detectors at the Bethel Trailer Court in March. Bethel Fire Department will fully support this project with personnel and equipment.
- Portable radios were purchased with funds obtained through a Homeland Security Grant and a Volunteer Fire Assistance grant. This purchase was through a NASPO contract.

Training

- On 02-07-17 at 7:00 p.m., a combination Firefighter and EMT meeting was held at the fire station. Staff and volunteers participated in the BVESA Board Elections.
- On 02-09-17 at 7:00 p.m., a Fire Meeting was held at the fire station. Staff and volunteers reviewed modern fire attack techniques with the “SLICE-RS” mnemonic and conducted a “dollhouse” burn demonstration to show the effects of ventilation on fire development and flow path.
- On 02-21-17 at 7:00 p.m., a Firefighter and EMT Meeting was held at the fire station. Staff and volunteers reviewed current events and received their flu shots and PPD skin tests.
- On 02-23-17 at 7:00 p.m., the Fire Meeting cancelled due to low turnout.
- Captain Solesbee has scheduled the delivery of a State of Alaska Firefighter-I Course from April 1 – July 22. Additionally, the first State of Alaska Firefighter-II Course for our department is scheduled from August 28 – September 30. Recruitment for these courses began and will continue through March.
- A State of Alaska EMT-1 course is being scheduled for November 2017.
- A Confined Space Entry class has been scheduled for March 22-23, 2017. This class will afford City of Bethel personnel better knowledge of and technical proficiency during operations for entry and rescue in confined spaces.

- The department is preparing to send two members to the Prince William Sound Regional Citizen's Advisory Council's Marine Firefighter Symposium in May 2017. Last year, two volunteer Firefighter/EMTs attended this training. These members presented a class on techniques our members should apply during firefighting operations on marine vessels.

Responses

- The Bethel Fire Department responded to 104 EMS and 11 Fire incidents during the month of February.
- Alcohol-related EMS calls for service represented 43.2% (45 incidents) of the total number of responses during the month of February.
- On 2-08-17 at 1:56 p.m. firefighters responded to Swanson's for a fire in the tunnel in the back of the store. On arrival, firefighters found a fire in the rear of the store outside in the tunnel that houses the fire water pipes. Firefighters extinguished the fire and returned to quarters.
- On 2-10-17 at 1:03 a.m., Firefighters responded to BNC Unit 24 for the report of smoke. On arrival, firefighters observed light smoke inside the complex. Firefighters found the cause of the smoke was burned food in an oven. Firefighters reset alarm and cleared.
- On 02-19-17 at 5:48 a.m. medics responded to the area of Fifth Avenue for the report of a person who was assaulted and attempted suicide. The patient was assessed and transported to the hospital with Bethel Police assistance.
- On 02-20-17 at 5:15 p.m. medics responded to H-Marker Lake for the report of a vehicle accident. The patient was assessed and transported to the hospital.
- On 02-20-17 at 9:24 P.M. medics responded to Akakeek Street for the report of a person with a stab wound. The patient was assessed, treated, and transported to the hospital.
- On 02-21-17 at 11:15 a.m. firefighters responded to M.E. School for the report of a carbon monoxide alarm. Firefighters obtained air samples from throughout the school and found no evidence of carbon monoxide. A malfunctioning detector caused the alarm.
- On 02-23-17 at 1:28 a.m. medics responded to the VFW for the report of a person who was unresponsive and possibly not breathing. Upon arrival, medics and Bethel Police performed CPR and transported the patient to the hospital.
- On 02-24-17 at 6:45 p.m., medics responded to City Subdivision for the report of two toddlers found outside of house and mother asleep inside. The children were placed into OCS custody. Medics cleared the scene.

Vehicles & Equipment

- Our newest ambulance Medic 5 broke down or would not start at least three times this month. Repairs of this vehicle have consumed much of our outside vehicle service budget during FY 17.
- The Department's 1980 Ladder Truck is currently out of service due to a non-working boom and defunct pump.
- Both of the snowplows we own are not working. We are relying on public works to keep up on the snow removal while a solution is being sought.
- Engine 3, our 1986 Grumman reserve pumper, is still out of service to repair a leaking tank, relief valve, tank to pump valve and pump packing. This work is being performed by department staff. The department is trying to locate sandblasting contractor or equipment to descale and epoxy coat the water tank. Failure to treat the water tank in this fashion would result in continued pitting and eventual failure.

Budget/Financial

- The department is working with administration to make a replacement ladder truck a legislative priority. We are also seeking USDA grants/loans and exploring other funding sources.
- The department is operating within budgetary guidelines.
- The department is working with finance to correct a budget error in our purchased services, acct# 10-60-669. This account was erroneously funded at \$4,000 when it has traditionally been budgeted at \$22,500. The department has already spent over \$8,000 from this account. No change to the proposed amount was noted in any of the Council actions during the budget hearings.
- Demands on personnel, career and volunteer have been significant this year with unprecedented call volume. The department is using off duty staff on standby and call back pay to cover open slots in the shifts and provide a minimum of two personnel on duty at all times. Callback and FLSA overtime budgets are being drained because of this.

Grants

- Final reports for the 2013 SCBA grant were submitted this month.
- The Department received \$40,000 in funding for 10 portable radios through the 2016 Homeland Security grant. A vendor has been selected and specifications are being determined.
- The department has VFA grant funds to purchase portable radios. This grant is approximately \$11,000 and requires a 10% city match. A vendor has been selected and specifications are being determined.

- The Department applied to the FEMA Assistance to Firefighters Grant for 38 sets of firefighter turnouts. The request totaled \$102,000 with a match of only 5%.

Staffing/recruitment

- The Department is fully staffed.
- Volunteer Firefighters and EMT's are needed. If you or someone you know might be interested, please invite them to contact the Fire Chief or Fire Captain. Applications are available at the fire station or can be emailed to potential applicants.

A RESOLUTION IN SUPPORT OF LEGISLATION TO FACILITATE
IMPLEMENTATION OF AN ALASKA GROUND EMERGENCY MEDICAL
TRANSPORT SUPPLEMENTAL REIMBURSEMENT PROGRAM IN
ALASKA

WHEREAS, the City of Bethel provides emergency medical services to citizens and visitors in Interior Alaska; and,

WHEREAS, the City of Bethel receives partial reimbursement for the cost of providing emergency medical services to Medicaid beneficiaries; and,

WHEREAS, the City of Bethel emergency medical service providers incur additional uncompensated costs when providing services to Medicaid beneficiaries; and,

WHEREAS, Federal Centers for Medicare and Medicaid Services provide supplementary reimbursement of uncompensated costs incurred by emergency medical service providers in the treatment and transportation of Medicaid beneficiaries in states participating in the Ground Emergency Medical Transportation program; and,

WHEREAS, Federal Centers for Medicare and Medicaid Services provide reimbursement for the administrative costs associated with administration of the Ground Emergency Medical Transportation program; and,

WHEREAS, the Ground Emergency Medical Transportation program is not part of any Medicaid expansion effort and is not associated with the Affordable Care Act; and,

WHEREAS, enacting Ground Emergency Medical Transportation legislation is a first step in facilitating implementation of the Ground Emergency Medical Transportation program in Alaska.

NOW, THEREFORE, BE IT RESOLVED that the City of Bethel Public Safety Commission supports legislation facilitating implementation of the Ground Emergency Medical Transportation program to Alaska.

CITY OF BETHEL POLICE DEPARTMENT

DATE: March 1, 2017
TO: Peter Williams, City Manager
FROM: Andre Achee, Chief of Police 
SUBJECT: February 2017 Monthly Report

Personnel:

Bethel Police Department continues to have recruitment challenges.

The Bethel Police Department is currently budgeted for a total of 14 sworn police positions which includes: (1) Chief of Police, (1) Lieutenant, (1) Sergeant- Investigations, (2) Sergeants- Patrol, (1) Corporal/Investigator, and (8) Police Officers.

Of these positions, we have the following vacancies: (5) Police Officers, (1) Lieutenant.

My staff is working diligently to recruit personnel and process current applications. We will be attending Job/Career fairs in Bethel in March 16th and 17th, one at the Cultural Center followed by another at the high school the following day.

Additionally, we are currently soliciting applications for our non-sworn vacancies. We are currently budgeted for 12 support personnel positions. These positions are: (1) Administrative Assistant, (1) Dispatch / Records Supervisor, (5) Dispatchers, (2) Community Service Officers, and (3) Community Service Patrol Officers (Grant Funded).

No conditional offers of employment were extended this month. However, we have interviewed several candidates for vacant sworn and non-sworn positions. Currently some candidates are undergoing preliminary background investigations, and we anticipate extending conditional offers this month for some non-sworn positions.

We currently have (1) Dispatcher and (1) Community Service Patrol vacancy.

Total Current Vacancies:

Lieutenant (1)
Police Officer (5)
Dispatcher (1)
Community Service Patrol (1)

Monthly Statistics:

Statistics for the February 2017 are not yet available. I anticipate the stats to be complete by the end of the week, and will be subsequently posted and forwarded to you.

I have attached the stats for the 2016 calendar year with a comparison of 2015 stats. Additionally statistics for Protective Custody for 2016 calendar year with a comparison of 2015 stats are attached.

Training:

This month the Bethel Police Department conducted a 2017 Legal Update on Search and Seizure and SB91. This was a four-hour training course instructed by June Stein, Assistant District Attorney with the Department of Law Office of Special Prosecution.

Additionally our Community Service Patrol Officer(s) and Community Service Officer(s) attended a 16 hours Mandt Training sponsored by YKHC. This training is a communications and conflict resolution course, which will assist our personnel to de-escalate potentially hostile situations with the goal to gain voluntary compliance with the citizens contacted.

We would like to thank, YKHC for allowing us to participate in their training.

CSO William Charles is currently in Sitka, Alaska attended the Alaska Law Enforcement Training Academy (ALET 1701). CSO Charles has been with the Bethel Police Department for approximately 2 years, and upon successfully completion of the police academy, he will be eligible to be a police officer with the Bethel Police Department. We all wish him the very best during this 3 month adventure.

Of Interest:

This month starts our annual budget preparation cycle. During this year's budget preparation, I will be working with the City's IT Department and City Administration to come up with a game plan to replace some aging and outdated equipment, which are currently functionally obsolete.

This includes the following equipment:

- Digital Logger System: Voice and call recorder system
- Radio Repeater System: Current Quantar Repeaters
- Media Storage Server / Solutions: Includes data/media storage, access points and security.
- Goldstar Elite Dispatch Center: Two dispatch radio stations

Several of these items are mission critical. These equipment are still operational, they are outdated and parts and servicing are becoming increasing difficult. We have been advised that Motorola is no longer servicing some of these equipment and parts are no longer being manufactured.

We will continue to strive to give our community the best possible service we can and will work together to address our mission critical needs.

- Camai Cab had their semi-annual inspection during this month, there were no issues noted here.
- There were 4 complaints made this month, most were driving complaints and all were followed up by either an Officer or myself.
- One Chauffeur’s license was revoked and this was due to the chauffeur failing to provide proof as well as her own admission that she is eligible to work in the United States.
- 11 random spot inspections were conducted at AC Main, the hospital and at AC Quickstop – all cabs were satisfactory for the most part with the exceptions of verbal warnings given about placement of their chauffeur’s licenses inside the interior of the taxicab.
- Alaska Cab will have their semi-annual inspections later on this month (March).
