MEMBERS CONDUCT AT THE MEETING

Members shall perform their duties in accordance with the processes and rules established by Statutes, Municipal Law.

Members are expected to be prepared for the public issues; listen courteously and attentively to all public discussion before the body and focus on business at hand. The members will be presented with clear and concise meeting topics to which they are obligated to limit discussion to 5 minutes for discussion per member, in accordance to Alaska Statutes Title 44 and Roberts Rules of Order. Extra time will be afforded to members upon direction of the chair, only after all members have had a chance to voice their debate. When possible, the discussions and debates will begin with a motion which is made and seconded. To ensure decorum in debate and parliamentary rule is maintained, the membership will look to the chair to obtain permission to speak on an issue. The Chair will try to allow each person an opportunity to be heard once on each issue prior to permitting anyone from speaking twice. To the extent possible, each person will be limited to speaking twice on any one issue for ten minutes total.

When a brain storming session is appropriate, the Chair will closely monitor the discussion to ensure the discussion is germane to the topic at hand. If during the brainstorming session the group/an individual gets off topic, the chair will bring order back to the discussion by providing a reminder of the topic. If a member continues to be disruptive to the progression of the meeting by not ensuring their comments are germane, the chair may limit that individual's opportunity to speak on the issue.

If the group's brainstorming session progresses to a debate on the possible actions associated with the topic, the chair will ask for a motion to be placed before the body and the merits of the motion may ensue.

June 2018 Monthly Report

Personnel:

A sergeant was promoted from within the ranks. This leaves a vacant funded officer position along with the WAANT investigator and another officer that are funded effective 7/1/2018. There is some interest in the WAANT position and we're working with HR and the CBA to fill the position. There are currently 3 police officer applicants in the background investigation process.

One dispatcher resigned effective in July. A temporary hire is in place and will fill that position once it becomes vacant. All CSP and CSO positions remain fully staffed.

Operations:

There have been only 1,046 calls for service the month of June with approximately one week left in the month. This is significantly fewer than May and approximately 500 calls fewer than the same period in 2017. Call volume has been fairly steady with an average of just over 300 calls per week with an average of approximately 50 Intoxicated Pedestrian calls per week.

Though our call volume has gone down compared to the previous months and the same period last year, the calls requiring criminal investigations and/or police reports has gone up. Officers have conducted 66 case investigations compared to only 56 for the same period last year. That number is also higher than the entire month of May compared to just over 3 weeks of June. Burglaries, thefts and domestic assaults were high, including two assaults involving firearms.

Animal Control:

There have been 38 animal control calls for service for the month. There were 4 reported dog bites, 2 by animals that were properly restrained and 2 by unrestrained dogs.
