What is *Knowing Who You Are* AK (**KWYA**)?

The **KWYA** workshop provides a framework for participants to identify and explore racial and ethnic identity in order to understand how one's race and ethnicity impacts personal and professional interactions.

During the Tribal State Collaboration Group meetings in 2008, an agreement was made to train all State and Tribal child welfare workers in the **KWYA** process. **KWYA** is embedded into OCS practice as an ongoing effort to address racial disproportionality in the child welfare system.

What is the Purpose of *Knowing Who You Are* (**KWYA**)?

KWYA is designed to positively impact well-being outcomes for youth through the integration of learning experiences that provide participants with awareness, knowledge, skills, tools and resources to engage and support youth in developing a healthy racial and ethnic identity.
