If funds are not available at the time any reimbursement is due under this Agreement, the City shall reimburse the Developer when funds become available. The City shall not be liable for any delay in reimbursing the Developer due to the unavailability of funds except for payment of interest, nor shall such delay constitute a breach of this Agreement.
- C. The City may reimburse the Developer in installments, and in such event any unpaid balance shall bear interest at the rate paid on bonds sold to finance the reimbursement, or otherwise at three (3%) percent per annum simple interest.
