CITY OF BETHEL

Resolution # 19-17

COMMUNITY TRANSPORTATION PROGRAM ADMINISTRATION AND MAINTENANCE FUNDING COMMITMENT INCREASE FOR AKAKEEK, PTARMIGAN, AND DELAPP STREETS- HEAVY USE ROAD IMPROVEMENT PROJECT

WHEREAS, in May of 2019 Bethel City Council adopted Resolution 19-03 authorizing Administration to initiate an application to the Alaska Department of Transportation and Public Facilities (ADOT&PF) for the Community Transportation Program to nominate a transportation project, that if funded, will be included in the Statewide Transportation Improvement Program (STIP) 2020-2023 as outlined in ADOT&PF's Community Transportation Program application packet for 2020-2023;

WHEREAS, the funding request was for Akakeek, Ptarmigan, and Delapp Streets - Heavy Use Road Improvement Project, this project would fund the rebuilding of of Akakeek, Ptarmigan from Lulu Heron to Delapp and all of Delapp;

WHEREAS, when the City initiated the application to ADOT&PF the City's estimated cost of the project was just over 1 million dollars;

WHEREAS, Bethel City Council adopted Resolution 19-03 confirming \$175,004 of matching funds available for the project;

WHEREAS, following the adoption of Resolution 19-03 a more detailed engineering review was completed by the City's Engineering firm which presented a project estimate of \$3,527,000;

WHEREAS, the Council, through the adoption of the 2020 Operating Budget designated \$500,000 for STIP Project or Gravel, this allocation was based off a project estimate of \$3,527,000;

WHEREAS, on December 10, 2019 ADOT&PF informed the City the project reevaluation estimate was \$7,271,462 requiring an increase of \$160,000 to the City's \$500,000 budgeted contribution;
